

How to Use Your 14 Day and 30 Day Passes

- **14 Day and 30 Day Passes** need to be swiped through the farebox each time you board the bus.
- The **FIRST TIME YOU USE** one of these passes, **“DIP”** your pass in the farebox card slot, located at the top left of the farebox. This will start the activation date. (Figure 3 below.)
- For all following trips, **“SWIPE”** your pass through the diagonal slot located at the top right of the farebox with the magnetic stripe facing you. (Figure 3 below.)
- A BEEP will sound alerting that the pass has been accepted.

“DIP” your pass
the first time
you use it.

After that, “SWIPE”
your pass when
boarding the bus.

How Much do Passes Cost?

Type of Pass	General Public	Senior/Youth/Disabled
10 RIDE PASS	\$10.00	\$5.00
14 DAY PASS	\$21.50	\$10.75
30 DAY PASS	\$37.50	\$18.75

Figure 2

A **14 DAY PASS** is good for unlimited rides for 14 days from the date of first use. A **30 DAY PASS** is good for unlimited rides for 30 days from the date of first use. **14 DAY** and **30 DAY PASSES** can be purchased today and not used for the first time until later. To use a **14 or 30 DAY PASS** the first time, insert or "DIP" the pass into the farebox card slot. (Photo 1 left.) This first use activates the pass. The first day the pass was used and the date and time it will expire will print on the back of the pass. (Figure 2 above.) For all following trips, "SWIPE" the pass through the diagonal slot, with the magnetic stripe facing you, when boarding the bus. (Photo 2 below).

How Can Passes Save Me Money?

If you ride the bus to and from work or school every weekday in a month, a general public 24-HOUR PASS (\$2.50/day for 20 days) would cost you about \$50 a month. If you purchase a **30 DAY PASS**, you will **save about \$12.50** a month.
